PROFESSIONAL SUMMARY

eCommerce and Digital Marketing professional with 4+ years of hands-on experience managing Shopify stores, online marketplaces, wholesale operations, and digital campaigns. Managed eCommerce operations supporting up to **\$1.8M+ annual eCommerce revenue** and **\$2M+ annual wholesale revenue** across 3 Shopify stores and 5+ marketplaces. Skilled in GA4, Google Ads, inventory management, promotional execution, and sales data analysis. MBA graduate with Google certifications in Analytics and Ads. Seeking a Coordinator or Specialist role to drive measurable eCommerce and marketing growth.

KEY ACHIEVEMENTS

- Managed 3 Shopify stores supporting **\$333K–\$1.8M+ annual eCommerce revenue** across retail and wholesale channels.
- Supported **\$2M+ annual wholesale revenue** through lead generation, account nurturing and repeat customer management.
- Maintained and updated **5,000+ SKUs** across Shopify, Amazon, eBay, Kogan, Catch and MyDeal.
- Analysed 1,023+ Shopify transactions and **\$222K+ revenue** using Excel Pivot Tables — identified NSW as top revenue state and 52% marketing opt-in rate.
- Identified slow-moving and dead inventory, implementing clearance and bundling strategies to improve stock movement.

PROFESSIONAL EXPERIENCE

eCommerce & Digital Marketing Coordinator

July 2021 – Jan 2026

Liquor By Door / The Liquor Hub — Melbourne, VIC

- Managed end-to-end eCommerce operations across 3 Shopify stores — product listings, pricing, promotions, inventory and order fulfilment.
- Operated 5+ online marketplaces (Amazon, eBay, Kogan, Catch, MyDeal) including product onboarding, content updates and performance monitoring.
- Supported wholesale revenue growth through lead generation, customer nurturing, account management and repeat order development.
- Analysed Shopify sales data to identify top-performing products, VIP customers, regional trends and slow-moving inventory.
- Coordinated weekly promotional campaigns, catalogue activities and pricing updates aligned with supplier programs.
- Created digital content and promotional assets using Canva, Shopify and marketplace platforms.
- Managed invoices, customer enquiries, returns, supplier communications and order fulfilment workflows.
- Trained and supported staff on store procedures, promotions, compliance and customer service standards.

Operations & Project Coordinator

Feb 2023 – Jan 2026

Timex Pty Ltd — Melbourne, VIC

- Coordinated daily operations and project workflows across multiple business functions, ensuring timely delivery and accuracy.
- Prepared operational reports and data analysis to improve visibility and support management decision-making.
- Drove process improvement and workflow optimisation initiatives in collaboration with internal stakeholders.

- Managed reporting, documentation and administration to support business improvement projects.

Retail Operations & Customer Experience

2021 – 2023

IGA Supermarket — Melbourne, VIC

- Supported day-to-day store operations across 5,000+ SKUs including stock control, pricing, merchandising and customer service.
- Executed weekly promotions, catalogue changes and in-store marketing activity to drive sales.
- Maintained compliance with retail operations, store procedures and company standards.
- Supported staff training, promotional execution and operational consistency.

PROJECTS

Shopify eCommerce Sales Analysis Dashboard

- Analysed 1,023+ Shopify orders and \$222K+ revenue using Excel Pivot Tables and KPI reporting.
- Built dashboards for sales by state, top products, VIP customers, monthly revenue trends and marketing opt-in rate.
- Delivered data-driven recommendations on marketing budget allocation, product promotion and dead stock clearance.
