Melbourne, VIC | +61 448 657 660 | singhvagle.akshay@gmail.com | akshay-vagle-portfolio.vercel.app

PROFESSIONAL SUMMARY

Marketing specialist with hands-on experience coordinating integrated campaigns, promotions, and digital activity across multi-brand retail environments. Strong background in campaign execution, reporting, stakeholder coordination, supplier liaison, and market analysis, with an MBA specialising in Digital Management. Experienced in supporting catalogue and promotional activity, managing timelines, and working cross-functionally to deliver on-brand, on-time outcomes. Google Analytics 4 certified, highly organised, customer-focused, and available for immediate start.

KEY ACHIEVEMENTS

- Launched a Shopify e-commerce platform from the ground up, onboarding 1,500+ products and supporting \$2M+ in annual wholesale revenue.
- Increased website traffic by approximately 30% within six months through targeted SEO and content optimisation.
- Completed an MBA in 2024 with High Distinctions in Digital Marketing & Communication and Financial & Economic Interpretation.

PROFESSIONAL EXPERIENCE

E-commerce and Marketing Manager — Liquor by Door / The Liquor Hub 2021–2026

- Built and managed a Shopify e-commerce platform, leading product onboarding, catalogue management, pricing updates, promotions, and inventory data accuracy across 1,500+ SKUs.
- Managed multi-channel marketplace operations across Amazon, eBay, Catch, Kogan, and MyDeal, maintaining product accuracy, pricing alignment, and promotional consistency.
- Increased organic website traffic by approximately 30% through SEO strategy, on-site content optimisation, and targeted keyword implementation.
- Used Google Analytics 4 to monitor traffic sources, product performance, and campaign effectiveness, producing monthly reports and identifying growth opportunities.
- Coordinated with suppliers and partners to support product launches, inventory planning, and campaign execution.
- Identified supply chain bottlenecks and implemented process improvements to strengthen inventory management and order fulfilment efficiency.
- Used AI tools, including Claude and ChatGPT, for content creation, data analysis, and workflow automation while verifying outputs for accuracy and relevance.

Marketing Specialist — Timex Pty Ltd Feb 2023–Mar 2026

- Coordinated integrated marketing campaigns and promotional activity across digital and retail channels, managing timelines, briefs, content delivery, and performance tracking.
- Produced campaign performance reports, analysed results against objectives, and identified insights to improve future promotional activity.
- Maintained campaign documentation, reporting processes, and supplier communication to support accurate and timely marketing execution.
- Collaborated with internal teams, external suppliers, and business stakeholders to deliver campaigns on time, on brand, and within budget.

Operations & Marketing Associate — My Liquor Online / The Whisky Hub / Desi Daru 2021–2026

- Managed operations across three online alcohol businesses, overseeing product onboarding, email marketing, Google Ads, social media, and inventory management.
- Implemented backend user interface improvements to enhance customer experience and streamline operations.
- Conducted local market research, pricing analysis, and competitor benchmarking to support campaign planning and commercial decision-making.
- Managed shipping logistics and customer service support across all three platforms.
